

# BOUTALIS ANASTASIOS PERIKLIS

Web Developer / Web Designer

## PROFILE

I am an enthusiastic web developer and designer, currently an undergraduate student at the Technical University of Crete. My academic journey has equipped me with a strong technical foundation and a deep passion for coding, driving me to create web solutions that seamlessly blend innovation and user-friendliness. Eager to apply my skills in real-world scenarios, I'm excited about the prospect of learning from seasoned professionals and collaborating on impactful web projects. My unwavering dedication, creative spirit, and commitment to staying at the forefront of web development and design set me on a path to continuously exceed expectations and deliver exceptional results.
